

LOCK IN YOUR RATE FOR TWO YEARS

# Lock and Let Go

At Country Place, we understand that the rising cost of living is on everyone's mind. That's why we're offering **rate lock protection** for two years to anyone who moves in by March 31!

No matter what happens in the economy, your rate stays the same—giving you peace of mind and stability. Plus, our already low rates include three delicious meals daily, a spacious private suite, and a full range of services to make life comfortable and carefree. Call us today to **lock and let go!**

Pets are
